java.Scenario)

(S) Verify Shop link page redirection

(F) feature to Filter by Price test
functionality

The screenshot displays a web application interface for a shop. At the top, there is a navigation bar with a logo on the left and links for 'Shop', 'My Account', 'Test Cases', 'AT Site', 'Demo Site', and a shopping cart icon showing '0 Items - P0.00'. Below the navigation bar, the breadcrumb 'Home / Shop' is visible. On the left side, there are two filter sections: 'REFINE BY >' and 'FILTER BY PRICE'. The 'FILTER BY PRICE' section includes a price range slider from ₹150 to ₹500 and a 'FILTER' button. Below these, the 'PRODUCT CATEGORIES' section lists 'Android (1)', 'HTML (3)', and 'JavaScript (3)'. On the right side, a product card for 'SUNTEST Instruments' is displayed, featuring the text 'Accelerated Weathering Testing' and 'Compact material test chambers for accelerated lightfastness & weathering testing.' The card also includes the website 'atlas-mts.com' and an 'OPEN' button. A small red dropdown arrow is visible in the top right corner of the page.
